Universal Studios Florida® and Universal's Islands of Adventure® Park-to-Park

Thanks to continued expansion inside its parks with first-rate attractions and experiences, the Universal Orlando® Resort is easily a multi-day destination.

Harry Potter™ fans and families with teenagers will love Universal's Islands of Adventure. There are an abundance of thrill rides, including serious coaster Incredible Hulk Coaster® and the incredibly well-done The Amazing Adventures of Spider-Man® and Skull Island: Reign of Kong™. For families with younger children, there is still plenty to see and experience within the park, especially the water rides Dudley Do-Right's Ripsaw Falls® and Popeye & Bluto's Bilge Rat Barges®. For toddlers, Seuss Landing™ is a Dr. Seuss book come to life in color and landscape, with the very best play area of any theme park we've encountered in If I Ran the Zoo™, and a number of tot-friendly attractions. Universal's Islands of Adventure has the original The Wizarding World of Harry Potter - Hogsmeade™ and the headlining Harry Potter and the Forbidden Journey™.

With The Wizarding World of Harry Potter - Diagon Alley™, which opened in July 2014, Universal Studios Florida is now home to the most amazingly themed land of any theme park we've ever visited. Through painstaking detail, experiential retail and interactive experiences, Diagon Alley is as close as you can get to being transported into the books and movies. With the headlining Harry Potter and the Escape from Gringotts™, guests are transported inside Gringotts bank for a wild ride some 10 miles down into the bowels of the wizarding world's most secure vault, where they'll cross paths with Harry, Ron and Hermione, Bellatrix Lestrange and the evil Lord Voldemort!

Both parks typically open about half an hour ahead of the official opening with a handful of attractions in operation. We suggest you take advantage of this, especially during the busiest times, by arriving at least 45 minutes ahead of time.

We suggest staying on-site at one of the Universal Orlando Resort hotels and beginning your journey in The Wizarding

World of Harry Potter™. Depending on when you visit, it's possible early entry will be in one park. During the busiest times, both parks offer early entry into The Wizarding World of Harry Potter. Fans of the series will want to spend time soaking up the magic. They can try their hand at the various spells that can be performed around both wizarding worlds with the help of interactive wands available for purchase Ollivander's™ and elsewhere around the parks.

A word about Universal Express℠: Most all of Universal Orlando's attractions offer Universal Express, or skip the lines access. The exceptions are Pteranodon Flyers®, Skull Island: Reign of Kong™, and Harry Potter and the Forbidden Journey in Universal's Islands of Adventure, and Kang & Kodos' Twirl 'n' Hurl and Harry Potter and the Escape from Gringotts in Universal Studios Florida. Single rider lines are typically faster than even Universal Express, so consider splitting up when wait times are at their highest.

Universal Studios Florida® and Universal's Islands of Adventure® Park-to-Park 2-Day Plan

We've created this two-day park-to-park plan so you can experience the best of both parks, including the Hogwarts™ Express, which requires a Park-to-Park ticket. This plan assumes you are not staying on-site at a Universal Orlando® Resort hotel*, and you are entering the park ahead of official opening and finishing in the evening. Normally we would recommend riding rides as popular at Harry Potter and the Forbidden Journey, and Harry Potter and the Escape from Gringotts at park opening, but if you are not staying on-site and therefore do not have one-hour Early Park Admission to The Wizarding World of Harry Potter, you will find lower waits in the evening for Harry Potter and the Forbidden Journey and lower waits in the afternoon for Harry Potter and the Escape from Gringotts.

**If you are staying at a Universal Orlando® Resort hotel, we recommend taking advantage of Early Park Admission to experience The Wizarding World of Harry Potter when crowds are at their absolute lowest, with the option to revisit it in the evening.*
