MICKEY'S NOT-SO-SCARY HALLOWEEN PARTY

Time flies scary fast when you're having fun! Our *Mickey's Not-So-Scary Halloween Party* Park Plan will help you hit the highlights with the lowest wait times.

ARRIVAL (4 P.M.)

Arrive early.

With a party ticket, guests can enter *Magic Kingdom*® Park as early as 4 p.m. Allow extra time for transportation, parking and going through security and the entrance touchpoints.

Grab your wristband.

If you're already in the park before 4 p.m. as a daytime guest, go to a wristband distribution location between 4-7 p.m. so you can stay inside the park. If you arrive after 4 p.m., you'll get your wristband upon arrival through the designated touchpoints.

PRE-PARTY TIME (4 P.M. TO 7 P.M.)

Visit Jack Skellington and Sally first.

Due to their popularity, Jack Skellington and Sally start greeting guests with party wristbands at 4:30 p.m., so *hop* in line at Town Square Theater as soon as you enter the park at 4 p.m. to be near the front of the line.

Hit the rides.

Focusing on special entertainment, characters and trick-or-treating? Go on rides now. Not all rides and shows are open during the party, so make sure to prioritize any must-dos. Save any rides with special overlays for the party.

Eat dinner.

Take the extra time now to sit down and fuel up before the party starts. Because time is limited, we recommend a quick-service spot such as Casey's Corner for a Pain and Panic hot dog.

Visit standard characters.

Certain characters, such as the Disney Princesses, wear the same outfit during the day and the party, so if you want to save meeting characters in their Halloween costumes for the party, meet the characters with their regular outfits during this time.

PARTY TIME (7 P.M. TO 12 A.M.)

Get exclusive treats and merch early.

Some special treats and merchandise may draw long lines and sell out early in the night.

Prioritize characters.

If you must visit a certain character, be sure to do so earlier in the night, as some may leave their location to be in the parade or cut off the line 30 minutes before the party ends. Double check with a cast member to find out how long a line is. For a full list of character locations, *hop* over to our blog!

Watch the first parade (9:15 p.m.) in Town Square.

For a good view with shorter notice, grab a spot in front of the *Walt Disney World*® Railroad station. While you wait, the Headless Horseman gallops along the entire parade route about 15-20 minutes before the rest of the parade. Here in this spot, you'll also get to participate in Powerline Max's dance party, which *hoppens* in *Main Street, U.S.A.*® minutes before the parade reaches the area.

Find a spot for fireworks (10:15 p.m.).

Once the parade is over, move as close as you can to Cinderella Castle for the fireworks show so you can have a better view of the projections.

Trick or treat later.

There can be long lines for the treat trails early on, so focus on the rest of your plan and trick or treat later with little to no waits.

Circle back to characters and sprinkle in your favorite rides.

With the remaining time left, catch any characters you may have missed and go on your favorite rides — both of which have lower wait times as the night goes on.

Finish the night with the Sanderson sisters (12 a.m.).

By watching the last stage show of the night, you get to stay past the official party time to close out the park with the Sanderson sisters and their villainous friends.
