# KEY INFORMATION TO KNOW FOR YOUR DISNEY ISLAND DAY

at Disney *Castaway Cay* and Disney *Lookout Cay*  
at *Lighthouse Point*

**Both destinations have free trams** consistently running to get around the island.

- At Disney *Castaway Cay*, you step right onto the island with the tram station nearby, or you can walk to the main family beach area.
- At Disney *Lookout Cay*, you walk along a half-mile pier (which protects the local coral reefs) and hop on a 10-minute tram ride that takes you to both the family and adults-only beaches.

**Complimentary wagons are provided** on a first-come, first-served basis along the *Lookout Cay* pier, and you can request mobility assistance from Guest Services in advance. Complimentary beach wheelchairs are also available on both islands.

**Take note of dining hours** — the lunch buffets open at 11:30 a.m. and close at 2 p.m. Bars tend to close around 3 p.m.

**Lockers are not available on the islands**, so keep valuables on the ship. Just don't forget your Key to the World card (or DisneyBand+) for each person in your party! This card also allows you to charge purchases to your onboard account, so you don't even need cash or credit cards. Adults need a government-issued ID as well.

**The *it's a small world* nursery stays open on the ship!** If you have a Port Adventure, you can leave your little one behind, as long as the excursion fits within nursery hours.

If you bring your **Drink of the Day** cup from the ship, the bars honor the refill price.

# TIPS AND TRICKS

Here are our top tips for making the very most of your time on your Disney cruise!

**DisneyBand+:** First-time cruiser? You can purchase a *DisneyBand+* in advance or onboard. If you have *MagicBand+* from the parks, bring it along! It works for unlocking your stateroom, making purchases and interacting with features around the ship.

**Tippling:** *Disney Cruise Line* includes automatic gratuities (\$16 per night, per stateroom guest; \$27.25 for Concierge Level, per night, per stateroom guest) for your dining team and stateroom host in your overall cruise bill. You can prepay them on the *Disney Cruise Line* website or the *Disney Cruise Line Navigator* app.

**Castaway Club Membership:** There are certain perks and benefits associated with each level, but most importantly, your level determines your booking window for purchasing a new cruise vacation, onboard extras, Port Adventures and when you can complete the online check-in process. Gold, Platinum and Pearl levels come with increasing benefits — including discounts, a free gift in your stateroom and, for Platinum and Pearl members, a free dinner at *Palo*.

**Consider bringing a pop-up hamper.** This will come in handy to have a place to store dirty clothes and keep them from piling up on the floor or mixing with your clean clothes.

**Disney Gift Cards and Disney Chase Visa Rewards Points:** If you want to utilize, take these cards to Guest Services periodically to have them applied to your account. *Disney Cruise Line* automatically charges your credit card when it hits a specific charge threshold, so having gift cards applied to your charges before that happens is key!

**Bring an extra card** to turn the lights on in your stateroom. On the Dream and Triton Class ships, there's a panel on the wall that requires you to insert a card to turn on the lights. Many guests use their Key to the World card, but any card will work. Even an expired gym membership card or retail rewards card will do. That way you can keep your Key to the World card on you and not leave your travel party in the dark if you need to run out.

**Transportation:** If you're driving, make a parking plan. *Disney Cruise Line* offers parking at the port. For those flying in, pre-book your transportation (*Disney* ground transportation\*, rideshares such as Uber/Lyft or private transfers).

- If you're sailing from Port Canaveral, **consider staying at a Walt Disney World® Resort hotel the night prior to (or after!) your cruise**, as *Disney* offers ground transfers for an additional fee, each way. Even better, you can arrange for *Disney Cruise Line* to transfer your luggage from the resort to the port. Plus, you'll be assigned a Port Arrival Time and allowed to check-in upon your arrival at Port Canaveral.

Lock in your Disney hotel stay for a **REFUNDABLE \$200 DEPOSIT** then pay the remainder 30 days prior to check-in when booking through Undercover Tourist!

- Guests can also book ground transfers between Orlando International Airport (MCO) and Port Canaveral for the same rate. *Disney* also offers luggage transfer options for guests transferring to and from the airport.

# KNOW BEFORE YOU GO

## Royal Gathering

Reserve your spot 30 days before your sail date to meet several Disney Princesses at once. Reservations are free and available through the *Disney Cruise Line Navigator* app.

## Laundry Services

Self-service laundry is available on all ships, complete with washers, dryers and detergent for purchase. You can also opt for full-service laundry and dry-cleaning services for a fee.

## Photo Packages

Photo packages are available at Shutters Photography Shop. You can save some green by purchasing photo packages before your cruise either on the *Disney Cruise Line* website or on the *Disney Cruise Line Navigator* app. These include digital downloads of all your onboard photos. Be sure to purchase your photos before the end of your cruise. Your photos will no longer be available once you're back on land.

## Dining Time Assignment

Choose between early (5:45 p.m.) or later (8:15 p.m.) dining times when booking. If your seating preference is not available, you can request an alternate seating time by joining a waitlist. Requests are subject to availability and can be made through *My Reservations* on the *Disney Cruise Line* website. You can also inquire at Guest Services once onboard.
