DISNEY CRUISE LINE OVERVIEW

Disney Cruise Line has sailed the seven seas since 1998, when the *Disney Magic* debuted. Now, with six ships in the fleet and more on the horizon, *Disney Cruise Line* offers magical adventures worldwide.

Disney Cruise Line Difference

From the moment you board, you'll be treated like royalty. Themed staterooms, a signature Rotational Dining system and endless activities for every age wait to be discovered. Enjoy Broadway-style shows, character meet-and-greets and even fireworks at sea on select sailings.

Something for Every Age

Kids can explore engaging and immersive play areas at the kids clubs, while tweens and teens enjoy their own cool spaces with games and activities. Adults can escape to serene areas such as the spa, adult-exclusive dining and themed lounges. Whether it's family time at the pool, time to mix and mingle with your favorite character or catching a first-run flick in the cinema, there's something for every froggy in your crew.

Island Destinations

Disney Cruise Line guests can visit *Disney Castaway Cay* and *Disney Lookout Cay at Lighthouse Point* on select Bahamian and Caribbean cruises. Island destinations feature beautiful beaches, family-friendly activities and Port Adventures, all with *Disney's* signature service.

• *Disney Castaway Cay*

Families can enjoy snorkeling or play at *Castaway Family Beach*, or adults can unwind at *Serenity Bay*. For water fun, head to the floating water park — *Pelican Plunge!* Teens can relax at the *Hideout*, an exclusive space just for them. Fill up on a delicious lunch at *Cookie's BBQ* or *Cookie's Too BBQ* and explore the games and activities across the island.

• *Disney Lookout Cay at Lighthouse Point*

Get ready to explore *Lookout Cay*, *Disney's* new island destination. This tropical retreat offers activities including snorkeling, nature trails and cultural experiences at the *Goombay Cultural Center*. Enjoy games, such as *Disney Fun in the Sun Beach Bash* and the *Rush Out Gush Out* water play area. Indulge in a complimentary island-inspired BBQ or unwind at one of the island bars.

FROG FAMILY TIP

Got early morning travel plans? Use Express Walk-Off! Keep your luggage with you, skip putting it out the night before and be among the first off the ship.

TIPS AND TRICKS

Here are our top tips for making the very most of your time on your Disney cruise!

DisneyBand+: First-time cruiser? You can purchase a *DisneyBand+* in advance or onboard. If you have *MagicBand+* from the parks, bring it along! It works for unlocking your stateroom, making purchases and interacting with features around the ship.

Tipping: *Disney Cruise Line* includes automatic gratuities (\$16 per night, per stateroom guest; \$27.25 for Concierge Level, per night, per stateroom guest) for your dining team and stateroom host in your overall cruise bill. You can prepay them on the *Disney Cruise Line* website or the *Disney Cruise Line Navigator* app.

Castaway Club Membership: There are certain perks and benefits associated with each level, but most importantly, your level determines your booking window for purchasing a new cruise vacation, onboard extras, Port Adventures and when you can complete the online check-in process. Gold, Platinum and Pearl levels come with increasing benefits — including discounts, a free gift in your stateroom and, for Platinum and Pearl members, a free dinner at *Palo*.

Consider bringing a pop-up hamper. This will come in handy to have a place to store dirty clothes and keep them from piling up on the floor or mixing with your clean clothes.

Disney Gift Cards and Disney Chase Visa Rewards Points: If you want to utilize, take these cards to Guest Services periodically to have them applied to your account. *Disney Cruise Line* automatically charges your credit card when it hits a specific charge threshold, so having gift cards applied to your charges before that happens is key!

Bring an extra card to turn the lights on in your stateroom. On the Dream and Triton Class ships, there's a panel on the wall that requires you to insert a card to turn on the lights. Many guests use their Key to the World card, but any card will work. Even an expired gym membership card or retail rewards card will do. That way you can keep your Key to the World card on you and not leave your travel party in the dark if you need to run out.

Transportation: If you're driving, make a parking plan. *Disney Cruise Line* offers parking at the port. For those flying in, pre-book your transportation (*Disney* ground transportation*, rideshares such as Uber/Lyft or private transfers).

- If you're sailing from Port Canaveral, **consider staying at a Walt Disney World® Resort hotel the night prior to (or after!) your cruise**, as *Disney* offers ground transfers for an additional fee, each way. Even better, you can arrange for *Disney Cruise Line* to transfer your luggage from the resort to the port. Plus, you'll be assigned a Port Arrival Time and allowed to check-in upon your arrival at Port Canaveral.
- Guests can also book ground transfers between Orlando International Airport (MCO) and Port Canaveral for the same rate. *Disney* also offers luggage transfer options for guests transferring to and from the airport.

KNOW BEFORE YOU GO

Royal Gathering

Reserve your spot 30 days before your sail date to meet several Disney Princesses at once. Reservations are free and available through the *Disney Cruise Line Navigator* app.

Laundry Services

Self-service laundry is available on all ships, complete with washers, dryers and detergent for purchase. You can also opt for full-service laundry and dry-cleaning services for a fee.

Photo Packages

Photo packages are available at Shutters Photography Shop. You can save some green by purchasing photo packages before your cruise either on the *Disney Cruise Line* website or on the *Disney Cruise Line Navigator* app. These include digital downloads of all your onboard photos. Be sure to purchase your photos before the end of your cruise. Your photos will no longer be available once you're back on land.

Dining Time Assignment

Choose between early (5:45 p.m.) or later (8:15 p.m.) dining times when booking. If your seating preference is not available, you can request an alternate seating time by joining a waitlist. Requests are subject to availability and can be made through *My Reservations* on the *Disney Cruise Line* website. You can also inquire at Guest Services once onboard.
