Family Top Tips

1

Next to most bathrooms in each world, you'll also find family restrooms and water refill stations. Each restroom also has changing stations. Adult changing tables are located at Health Services.

2

Casting spells in the Ministry of Magic™ is another great way to get moving — just know that these take a little hand-eye coordination, and parents may need to help smaller wizards.

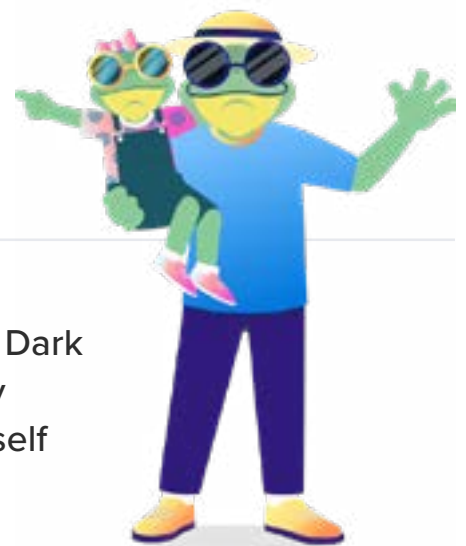

3

Look for designated parking areas in each world to leave your stroller (themed to the area, of course!).

4

Of the park's characters, Toad is the most pint-sized (and arguably the cutest dancer). Toothless is larger in stature (he is a dragon, after all), so smaller kiddos may want to be held to properly give him a scratch on the head.

5

Curse of the Werewolf is the more family-friendly Dark Universe attraction. While you may spot a spooky caravan in front of the ride, the queue and ride itself are free from scares.

Know Before You Go

Transportation

Complimentary buses are available from your Universal hotel and Universal CityWalk. If you're driving, Epic Universe has its own surface parking lot, which offers standard, prime, valet and accessible parking, as well as electric vehicle charging (additional fees apply).

Guest Services

Guest Services can be found immediately to the right side after entering the park. There are four Concierge Huts located near the portals of each world. Each Concierge Hut can also help with Fuel Rods, large lockers, digital information boards, Universal Express Passes, dining reservations and Coca-Cola Freestyle cups.

Lockers

All-day lockers are available to rent on the left side near the park entrance or at the Concierge Huts. Complimentary ride lockers are available within the queues of Hiccup's Wing Gliders, Monsters Unchained: The Frankenstein Experiment and Stardust Racers. Stardust Racers does not allow any loose items and requires metal detection.

Wheelchairs and Strollers

Wheelchair, ECV and stroller rentals can be found immediately to the left side after entering the park. The following daily rates are manual wheelchairs (\$15), regular ECVs (\$75), canopy ECVs (\$95) and strollers (\$40).

**Rates subject to change*

Accessibility

Universal Orlando Resort provides accommodations via its Attractions Assistance Pass, which is obtained by registering for the IBCCES Individual Accessibility Card (IAC) at [AccessibilityCard.org](https://www.AccessibilityCard.org) between 30 days and 48 hours before visiting. Guests who only need to use their mobility device do not need to apply for the IAC. While stairs are prevalent at the park, all queues and worlds are accessible.

Family Care Center & First Aid

There are two First Aid locations — one near the front of the park by Guest Relations and the other in the back next to the Family Care Center. The Family Care Center has amenities including quiet rooms, a kitchenette, companion restrooms and adult changing tables.

Child Swap

If you have tadpoles who don't meet a height requirement or are unwilling to go on a ride, you can utilize Child Swap. Enter a ride queue as a family. Once you get closer to the loading station, tell a team member you'd like to wait in the Family Room, where you can stay with the tadpoles while the rest of your party rides. Once they're done, adults can switch places so you don't have to miss out or wait again in line.

Photo Validation

Photo Validation is now being used to verify tickets and passes at park entrances and Universal Express Passes in select queues. It is completely optional — you can opt out, but prepare to present your valid ID and tickets. The new locker system also uses a similar facial recognition feature. Now you don't have to keep your park ticket on you, unless you prefer using it to lock and unlock your locker.

Your Epic Planning Checklist

You've done your research — now it's time to check off your to-do list!

Consider your travel dates. You can see estimated crowd levels on [Undercover Tourist's Crowd Calendar](#), or more detailed insights in our [Best Times to Visit Universal Orlando Resort](#) blog post.

Book your hotel stay. Remember, staying at any Universal hotel means you'll get into the theme parks up to an hour early — a huge advantage!

Lock in your Universal hotel stay for a
REFUNDABLE \$200 DEPOSIT

then pay the remainder 30 days prior to check-in
when booking through Undercover Tourist!

Buy your tickets, and consider add-ons such as VIP Experience or Express Pass to maximize your day.

Download the Universal Orlando app and add your digital tickets to your wallet for handy access, as well as access to dining reservations, mobile ordering and more.

Make a plan for your day. Check out our [pre-made park plans](#), or build your own using the [Undercover Tourist Theme Park Day app](#).

Book your dining reservations, starting 30 days in advance, in the Universal app.

Lock in your level ups. If wands and Power-Up Bands are must-dos, know where and when you plan on purchasing to save time in the park.

Pack your park bag. Aside from the basics for your fam, don't *froget* sunglasses, sunscreen, hats, fans, external chargers, ponchos/umbrellas!
