WHERE TO STAY

The Frog Fam loves staying at *Walt Disney World*® Resort hotels for their convenience, on-site benefits and *toadally* magical touches.

THERE ARE THREE TIERS OF *WALT DISNEY WORLD*® RESORT HOTELS:

Value

Lowest price tag, with over-the-top theming and food court as main dining option; motel-style setup

BEST FOR:

Guests spending most of their day in the theme park, or larger groups looking for family suites

Moderate

Median price tag, with a water slide at the pool and at least one table-service restaurant on-site; motel-style setup

BEST FOR:

Guests wanting a few more bells and whistles than a value tier. Most families booking through Undercover Tourist select moderate resorts

Deluxe

Highest price tag, with an elegant feel and close proximity to the theme parks, plus fine or character dining on-site; hotel-style setup

BEST FOR:

Guests spending time at the resorts, wanting a luxurious experience (such as a spa day)

ALL ON-SITE GUESTS RECEIVE THE FOLLOWING BENEFITS (even when booking through Undercover Tourist):

Immersive theming, from the bayou to the South Pacific. You'll find touches from your favorite characters around every corner, including the Cozy Cone from "Cars" and super suits from "The Incredibles."

Convenient location. With close proximity to the theme parks, you won't have to leave the Disney "bubble" until it's time to say "see ya real soon."

Complimentary transportation. From the iconic monorail, to the Disney Skyliner — plus buses, boats and walking paths — hotel guests have multiple options to get around the resort.

Early Theme Park Entry. *Jump* into the theme parks 30 minutes before they open to the public! (Valid admission required.)

Early Individual Lightning Lane access. You can purchase expedited entry to several in-demand attractions — and hotel guests can purchase as early as 7 a.m. All other guests must purchase at park open. For popular attractions such as TRON Lightcycle / Run and *Guardians of the Galaxy: Cosmic Rewind*, that's a huge (frog) leg up!

Advance Dining Reservations. All guests — no matter where they stay — may make Advance Dining Reservations 60 days in advance of their trip. Those staying on-site are able to book reservations for the length of their stay (rather than logging in each day).

Extended Evening Hours (for Deluxe guests). Guests staying at Deluxe Resort hotels also have access to select parks on select nights after the parks close to the general public, including access to a third virtual queue window (valid admission required).

ADVANCE DINING RESERVATIONS

The Advance Dining Reservation System, ADR for short, is a fancy name for making dining reservations at Disney's table-service restaurants. There are hundreds of dining opportunities on property, ranging from dinner shows to character dining. If you're not booking that far in advance, don't stress — there are some good quick-service options and restaurants that often have last-minute availability!

CHEAT SHEET

All guests (even those staying off-site) can make *Walt Disney World*® Resort dining reservations!

Advance Dining Reservations can be made in the *My Disney Experience* app **60 days in advance** of your trip.

Most reservations become available around **5:45 a.m. EST** or by calling 407-WDW-DINE at 7 a.m. EST.

Walt Disney World® Resort hotel guests can book ADRs **60 days in advance** for the length of their stay (up to 10 days).

You can make a reservation online for parties up to 8; your whole party does not need to be connected in *My Disney Experience* to make a reservation.

Select restaurants require a deposit upfront to reserve your spot.

Valid park admission (and a theme park reservation, if applicable) is required for in-park dining locations.

TOP TIPS

You can cancel a reservation up to 2 hours before your reservation time without penalty at most restaurants. Cancellations within the 2 hour window may result in a no-show charge, per person.

Make sure you have the latest version of the *My Disney Experience* app.

Have your credit card information saved in the app. This saves you an extra step during the process.

Search by an exact time rather than time of day (i.e. *8 a.m.* versus *Breakfast*)

Work backward for the best availability if you are staying on-site.

If at first you don't succeed, **keep checking** up until (and during) your trip.

Don't forget about the walk-up list, available same-day when you're near select restaurants!

DISNEY GENIE+ SERVICE

A new way to skip the lines has debuted at *Walt Disney World*® Resort! This optional, paid service can be purchased same-day within the *My Disney Experience* app. Your first Disney Genie+ ride selection can be made at 7 a.m. EST, no matter where you are staying.

See which rides are included on the "Popular Rides and Attractions by Park" pages

1

SKIP THE LINE

Disney Genie+ service replaces FastPass as the new way to skip the wait. With variable pricing starting at \$15 per person, per day, guests can enjoy one-time expedited access to over 40 attractions and experiences.

2

CHOOSE YOUR QUEUE

Lightning Lane is the name of the queue you enter for expedited access using Disney Genie+ service. Standby lines remain available for all rides except for select rides offering a virtual queue.

3

USE THE APP

Reserve rides and experiences through the *My Disney Experience* app. Guests can make reservations for a party of up to 12 people.

4

SET YOUR ALARM

All guests may reserve their first selection at 7 a.m. After that, you can reserve another ride every 2 hours or after scanning in for your most recently booked reservation - whichever comes first.

INDIVIDUAL LIGHTNING LANE SELECTIONS

Similar to Disney Genie+ service, individual Lightning Lane selections provide expedited entry to popular attractions, for an additional fee. If you are staying at a *Walt Disney World*® Resort hotel, you may purchase your individual Lightning Lane selections within the *My Disney Experience* app at 7 a.m. EST. If you are staying off-site, you may purchase within the *My Disney Experience* app at park opening.

1

ILL selections can be purchased within the ***My Disney Experience App***

2

***Walt Disney World*® Resort Hotel guests** may purchase *ILL* selections at 7 a.m. EST

3

All other guests may purchase *ILL* selections beginning at park opening

4

Each guest may book **2 *ILL* selections** each day

5

The cost of *ILL* selections varies by date, but can range anywhere from **\$7 to \$25** per person, per ride

6

You can reserve *ILL* selections **without purchasing Disney Genie+ Service**

7

During peak times, such as spring break, summer or the holidays, some *ILL* selections may be offered as **Disney Genie+ service options**

TIPS AND TRICKS

Here are our top tips and tricks for making the very most of your time at *Walt Disney World*® Resort!

Decide in advance where you want to go. Use our list of attractions so you can decide what your priorities are for each park. Make planning your trip a family affair, and let everyone pick a couple of rides that are must-dos.

Pick the best day to visit. Use our Crowd Calendar to identify the best dates to visit the *Walt Disney World*® Resort and then the best parks to visit on each day of your trip. Since *Magic Kingdom*® Park is always the busiest park, try to visit on a green day.

Download our Orlando Theme Park Day app. It offers key showtimes, crowd levels, wait times and the optimal time to visit each attraction.

Utilize on-site perks. If you're staying at a *Walt Disney World*® Resort hotel, you can enter any of the theme parks 30 minutes early on each day of your stay (valid admission required). Likewise, hotel guests are able to purchase individual Lightning Lane selections for in-demand rides such as *Guardians of the Galaxy: Cosmic Rewind* and *TRON Lightcycle / Run* at 7 a.m. EST. All other guests must purchase at park open.

Arrive before the parks open. The first few hours are the least busy times in the park, and you can experience a lot more when crowds are low.

Consider Disney Genie+ service. This paid service enables guests to wait in an expedited line for popular attractions. The price varies by date and must be purchased on the day of your visit through the *My Disney Experience* app for each member of your party. You may make your first Genie+ reservation at 7 a.m. EST. Remember, this service is *toadally* optional and all attractions still have a free means of entry — either by standby or virtual queue.

Experience the most popular rides with the lowest durations first.

You can follow one of our park plans or customize your own. If you aren't a family of early risers or you want more flexibility than a park plan offers, use our general map to decide which rides to visit at any given time.

Take a break in the middle of the day. Especially if you've got young tadpoles, we suggest taking a break in the afternoon and then coming back in the evening for dinner and fireworks.
