

Disney California Adventure® Park 1-Day Hopper Plan

Disneyland® Park is the first theme park Walt Disney created and remains heavy on the nostalgia — with classic rides such as *Pirates of the Caribbean*®, *Jungle Cruise*® and *Mr. Toad's Wild Ride*®. Disney California Adventure® Park is the place to find popular Disney, Pixar and superhero attractions such as *Guardians of the Galaxy — Mission: BREAKOUT!*, *Radiator Springs Racers*® and *Incredicoaster*®. With so many attractions, we recommend planning at least two days to explore the parks.

We suggest arriving at least 30 to 45 minutes ahead of opening so you are one of the first to enter the park. (Guests who are driving should note that parking lots and structures open one hour before park opening.) Guests staying at a Disneyland® Resort hotel can use Early Entry to enter either park 30 minutes early every day. We recommend visiting the highest priority rides in the morning when waits are lowest.

With the debut of Disney Genie+ service and individual Lightning Lane selections, Disneyland® Resort guests now have a paid skip-the-line option. Disney Genie+ service offers expedited access to several attractions, and includes *Disney PhotoPass* downloads, as well. There are two ways to purchase Disney Genie+ service: You can purchase a ticket pre-loaded with Disney Genie+ service for the length of your ticket in advance; or, you can purchase Disney Genie+ service a la carte once you have entered a park for the day using the *Disneyland*® app. A few high-demand attractions are not included with Disney Genie+ service, and are instead available a la carte for an additional cost — these are called individual Lightning Lane selections. Individual Lightning Lane selections may also be purchased the day of your visit within the *Disneyland*® app. These optional services may be used independently, together, or not at all. Not all attractions are offered using these services, but all attractions offer free standby queues. Park hoppers can select Disney Genie+ return times after 11 a.m.; they can also make individual Lightning Lane selections for either park.

Because both Disney Genie+ service and individual Lightning Lane selections involve specific time windows for return, they can (and do) affect your plan for the day. Below, we'll note which rides are offered as part of Disney Genie+ service, which rides are offered as individual Lightning Lane selections, and most importantly, which we recommend that you prioritize when planning your day if you are looking to utilize these optional services.

Some rides or experiences may utilize a free virtual queue. You can join at select times within the *Disneyland*® app.

Other considerations that could affect your park plan include:

- ★ If you have reservations for restaurants or experiences, such as Savi's Workshop
- ★ Ride closures
- ★ Early Entry (whether you're staying at a Disneyland® Resort hotel or not)
- ★ Parades, fireworks and nighttime show schedules/availability
- ★ Park hours/crowd levels
- ★ Weather
- ★ Your own personal interests and ages, heights and interests of children
- ★ When you want to park hop (can park hop as early as 11 a.m.)

Disney California Adventure® Park and Disneyland® Park Single Rider Attractions:

Single Rider lines are an excellent choice for those guests who don't mind splitting up their party in exchange for a shorter wait time. Guests must meet height and age requirements to ride alone.

Disney California Adventure® Park

- ◆ *Radiator Springs Racers®* Attraction - 40"

Disneyland® Park

We highly recommend purchasing an individual Lightning Lane selection for these popular attractions (maximum 2 individual Lightning Lane selections per day and cannot purchase for the same ride twice).

Disney California Adventure® Park 1-Day Hopper Plan

If you have only one day at *Disneyland*® Park and *Disney California Adventure*® Park, you'd better *hop* to it. You won't be able to do it all, but this plan hits the highlights. If you are traveling without younger kids, skip the gentler attractions. If you do have little ones, you may be adding smaller attractions for them, skipping some of the big ones or using Rider Switch so both parents can ride.

Your day could look *toadally* different depending on which park you decide to start at. For this reason, we have created two different 1-Day Park Hopper plans. This plan starts at *Disney California Adventure*® Park in the morning with a *hop* over to *Disneyland*® Park for the remainder of the day.
