

Disney California Adventure® Park 1-Day Plan

Disney California Adventure® Park sure is *hoppin'*! It's the place to find popular Disney, Pixar and superhero attractions such as *Guardians of the Galaxy — Mission: BREAKOUT!*, *Radiator Springs Racers*® and *Incredicoaster*®. With so many attractions, we recommend planning to explore this park for at least two days.

We suggest arriving at least 30 to 45 minutes ahead of opening, so you are one of the first to enter the park. (Guests who are driving should note that parking lots and structures open one hour before park opening.) Guests staying at a *Disneyland*® Resort hotel can use Early Entry to enter either park 30 minutes early every day. We recommend visiting the highest priority rides in the morning when waits are lowest.

With Disney Lightning Lane Multi Pass, Single Pass and Premier Pass services, *Disneyland*® Resort guests now have a few paid skip-the-line options. Lightning Lane Multi Pass offers expedited access to several attractions, and includes *Disney PhotoPass* downloads, as well. There are two ways to purchase Lightning Lane Multi Pass: You can purchase a ticket pre-loaded with the Multi Pass service for the length of your ticket in advance; or, you can purchase Multi Pass a la carte once you have entered a park for the day using the *Disneyland*® app. A few high-demand attractions are not included with Multi Pass, and are instead available a la carte for an additional cost — these operate as Lightning Lane Single Pass. Single Pass selections may also be purchased the day of your visit within the *Disneyland*® app. These optional services may be used independently, together, or not at all. Not all attractions are offered using these services, but all attractions offer free standby queues. Lightning Lane Premier Pass does not require reservations and includes one-time use for all Multi Pass and Single Pass options.

Because both Multi Pass and Single Pass selections involve specific time windows for return, they can (and do) affect your plan for the day. Below, we'll note which rides are offered as part of Multi Pass, which rides are offered as Single Pass selections, and most importantly, which we recommend that you prioritize when planning your day if you are looking to utilize these optional services.

Some rides or experiences may utilize a free virtual queue. You can join at select times within the *Disneyland*® app.

Other considerations that could affect your park plan include:

- ★ If you have reservations for restaurants or experiences, such as Lamplight Lounge
- ★ Ride closures
- ★ Early Entry (whether you're staying at a *Disneyland*® Resort hotel or not)
- ★ Parades, fireworks and nighttime show schedules/availability
- ★ Park hours/crowd levels
- ★ Weather
- ★ Your own personal interests and ages, heights and interests of children

Disney California Adventure® Park Single Rider Attractions:

Single Rider lines are an excellent choice for those guests who don't mind splitting up their party in exchange for a shorter wait time. Guests must meet height and age requirements to ride alone.

- ★ *Incredicoaster®* Attraction - 48"
- ★ *Goofy's Sky School* - 42"
- ★ *Grizzly River Run* - 42"
- ★ *Radiator Springs Racers®* Attraction - 40"

Disney California Adventure® Park Attractions Offered with Lightning Lane Multi Pass:

Disney Lightning Lane Multi Pass is an optional service that allows guests expedited entry to several *Disney California Adventure®* Park attractions, including:

Disney California Adventure® Park Attractions Offered as Lightning Lane Single Pass:

Select in-demand attractions are not included with Lightning Lane Multi Pass, but skip-the-line access may be purchased separately as a Lightning Lane Single Pass. At this time, this includes:

- ◆ *Radiator Springs Racers®* Attraction - 40"

We highly recommend purchasing Lightning Lane Single Pass for this popular attraction (maximum 2 Lightning Lane Single Pass selections per day and cannot purchase for the same ride twice).

★ *Disney California Adventure®* Park 1-Day Park Plan

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, in addition to minimizing your trek around the parks. This plan assumes you are starting within the first hour of park opening and finishing in the evening. If you wish to do experiences requiring a reservation, you are better off using our general park maps. We've also noted which attractions are offered with Multi Pass or Single Pass; if you opt to use these services, our park plan maps may give you a better idea of how to jump back into this list based on your location and our recommended time to visit. To incorporate priority character experiences and other attractions, we recommend you plan at least two days at *Disneyland®* Resort.
