

## Disneyland® Park 1-Day Park Plan

Disneyland® Park is the first theme park Walt Disney created and remains heavy on the nostalgia — with classic rides such as Pirates of the Caribbean, Jungle Cruise and Mr. Toad’s Wild Ride. With so many attractions, we recommend planning to explore this park for at least two days.

We suggest arriving at least 30 to 45 minutes ahead of official opening, so that you are one of the first to enter the park. (Guests who are driving should arrive an hour and 30 minutes early to park and get to the theme park entrances.) We recommend visiting the highest priority rides in the morning when waits are lowest.

During the initial reopening phase at Disneyland® Resort, some services or benefits may be temporarily unavailable, as well as other entertainment and experiences (such as traditional character greetings). However, as of July 4, 2021, Mickey’s Mix Magic is back! Single Rider lines for popular attractions have returned, character cavalcades are popping up and modified character dining experiences are slowly coming back to Disneyland® Resort. Additional experiences and rides may also be modified or temporarily unavailable during this time.

There are several things to take into consideration that could affect your park plan:

- ★ Your callback time for *Star Wars: Rise of the Resistance*
- ★ Virtual queues for other attractions (when in use)
- ★ If you have reservations for restaurants or experiences, such as Savi’s Workshop
- ★ Ride closures
- ★ Park hours/crowd levels
- ★ Weather
- ★ Your own personal interests and ages, heights and interests of children

---

### Disneyland® Park Single Rider Priority Attractions:

Single Rider lines are an excellent choice for those guests who don’t mind splitting up their party in exchange for a shorter wait time. Guests must meet height and age requirements to ride alone.

- ★ Indiana Jones™ Adventure ©Disney/Lucasfilm Ltd. - 46”
- ★ Matterhorn Bobsleds - 42”
- ★ *Millennium Falcon: Smugglers Run* - 38”
- ★ Splash Mountain - 40”
- ★ Space Mountain - 40”

**A note about *Star Wars: Rise of the Resistance*:** All guests must join a “Boarding Group,” or virtual queue, to ride. Capacity is very limited and fills quickly. Guests beginning their day in *Disneyland*® Park may try at 7 a.m. (from anywhere) and guests beginning their day at *Disneyland*® Park, as well as Park Hoppers beginning their day at *Disney California Adventure*® Park, may try at noon (must have entered a theme park) to join a Boarding Group using the Disneyland app. You will be able to join one Boarding Group per day. If you get into a Boarding Group, you will be assigned a return time and will need to work your ride into your park plan for the day.

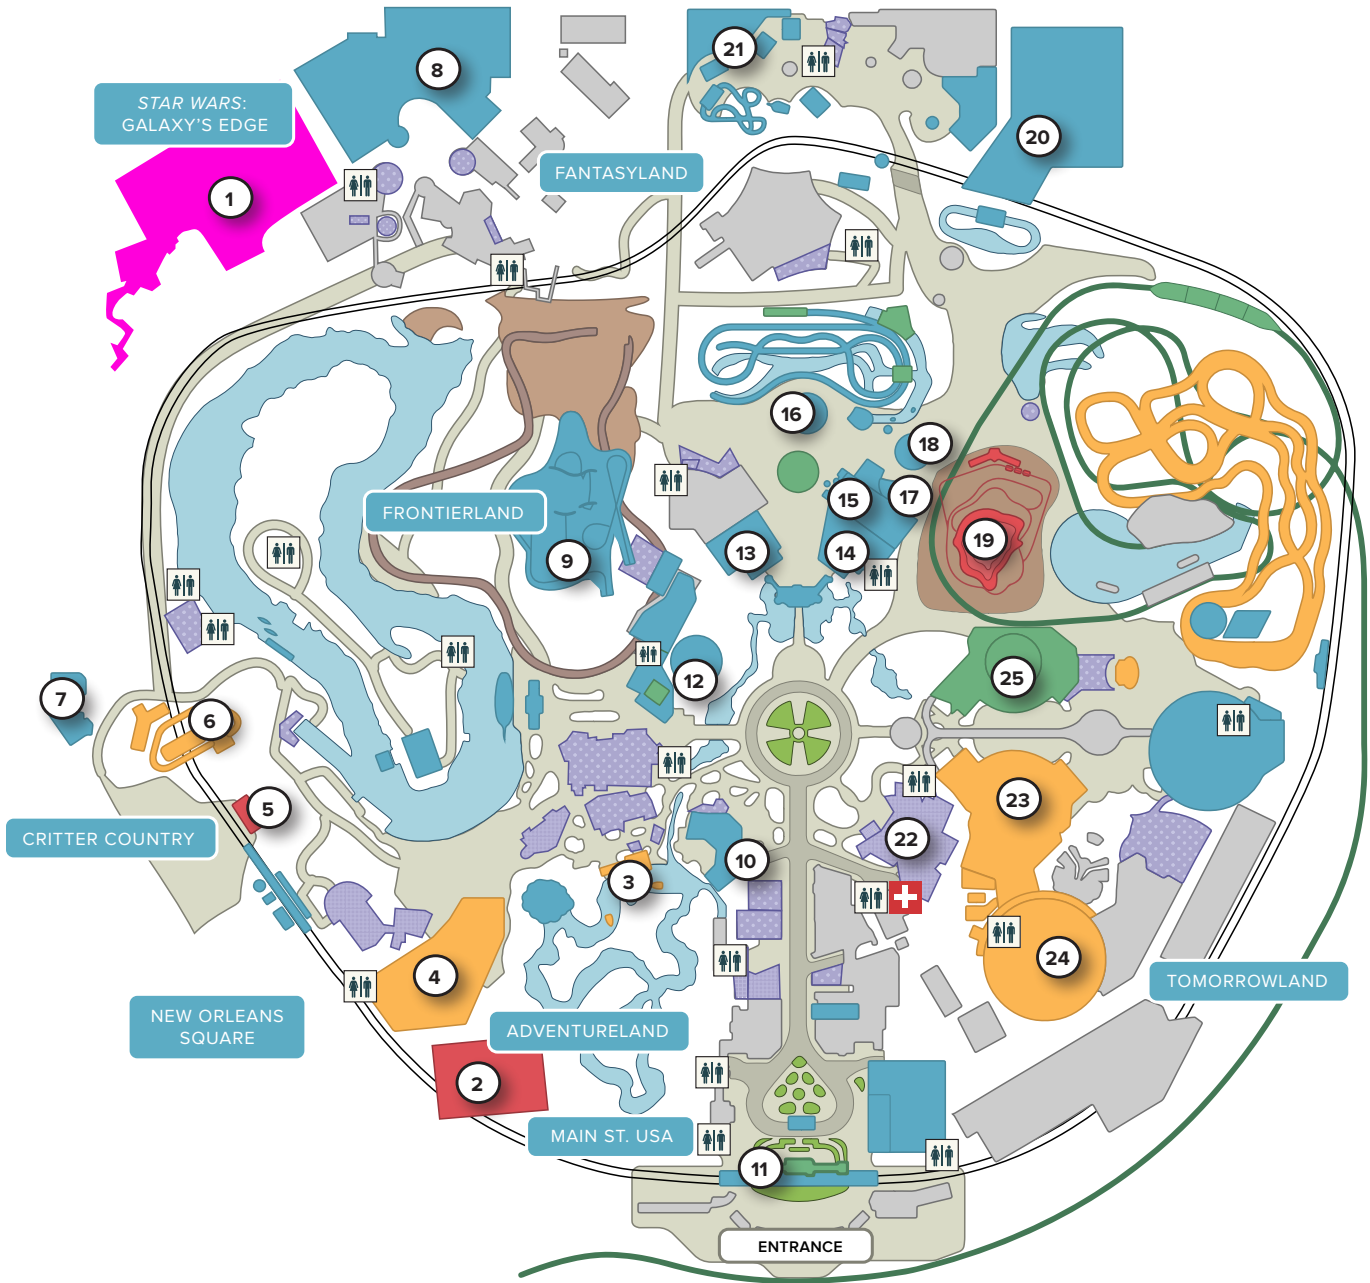

## Disneyland® Park 1-Day Park Plan

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening and finishing in the evening. If you wish to do the lightsaber-building experience at Savi's Workshop and/or other experiences requiring a reservation, you are better off using our general park maps. To incorporate priority character experiences and other attractions, we recommend you plan at least two days at *Disneyland*® Park.

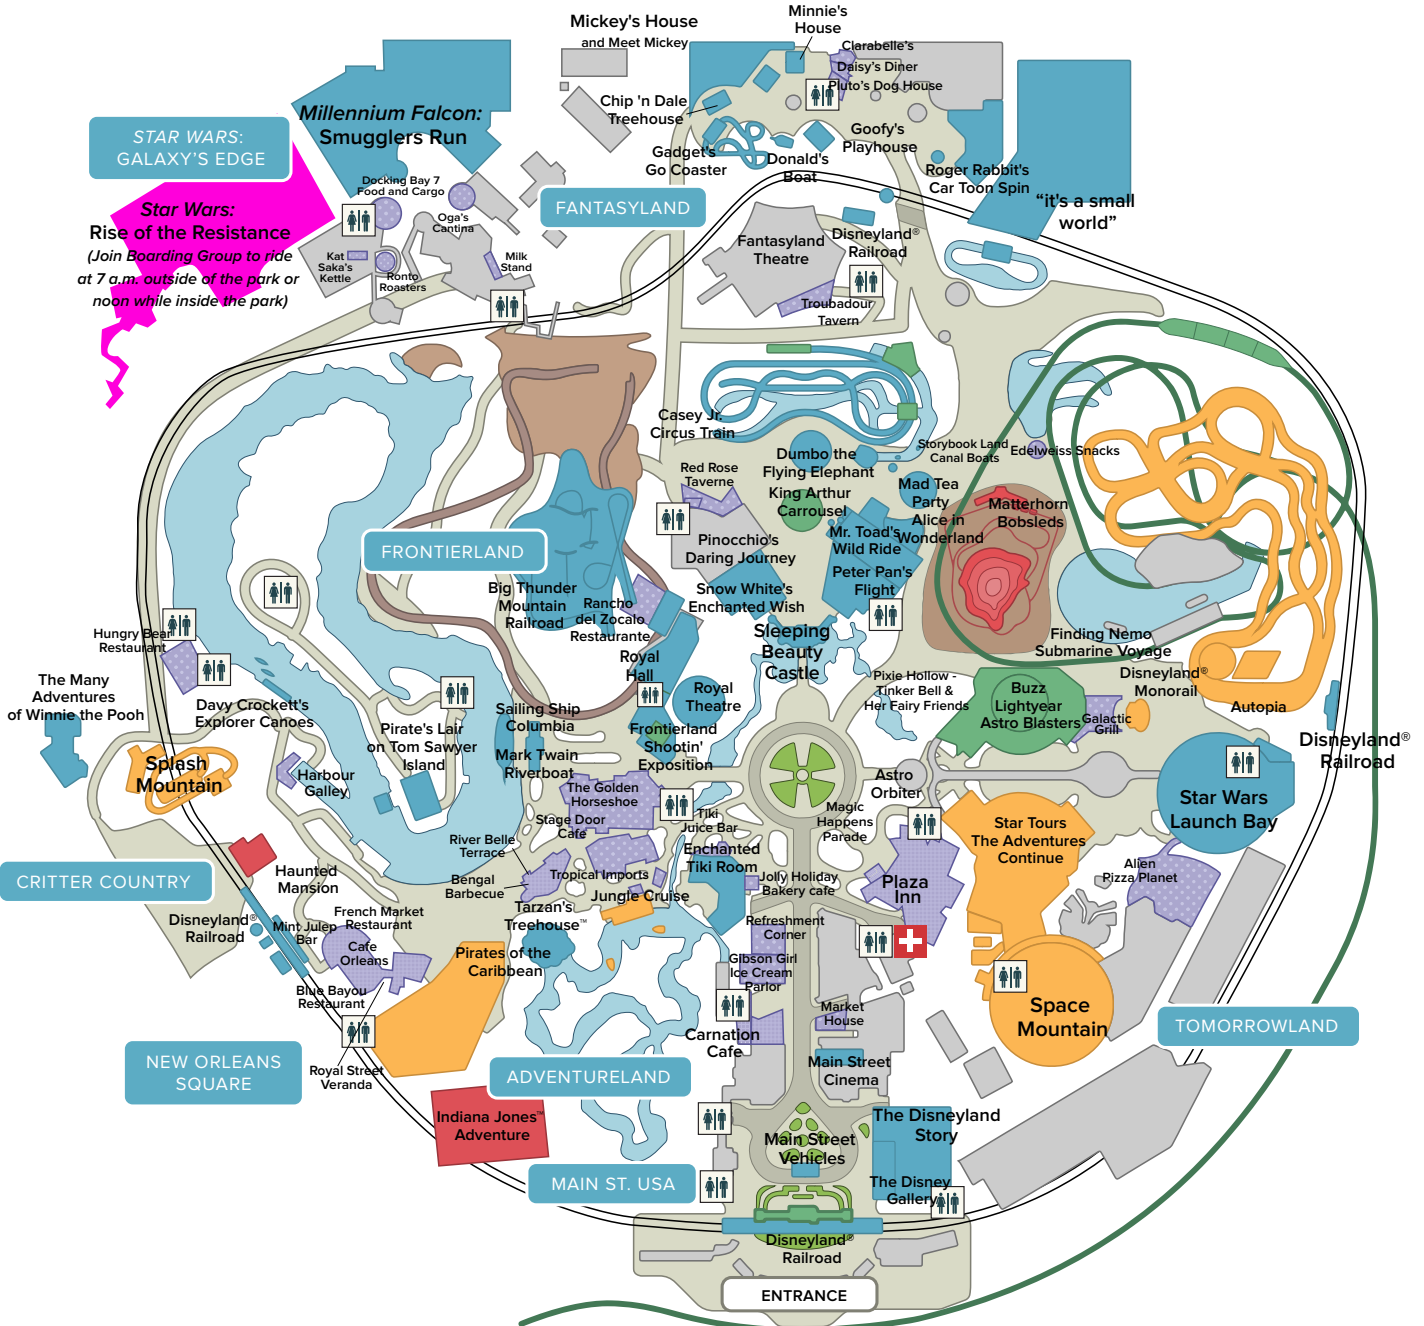

1. At 7 a.m., attempt to join a Boarding Group for *Star Wars: Rise of the Resistance* (set an alarm for just before noon for a second chance to join the virtual queue in case you do not get one at 7 a.m. You'll need to break from the touring plan to make it to your Boarding Group)
2. Ride *Indiana Jones™ Adventure* ©Disney/Lucasfilm Ltd. - 46"
