

Disney's Animal Kingdom® Theme Park

Maybe we're a bit biased, but we love that we can get up close and personal with so many animals at *Disney's Animal Kingdom*® Theme Park! This exotic, jungle-like park that celebrates life and nature, creating a full day- and night-time destination. *Pandora – The World of Avatar*, continues to be a big draw for visitors.

Much like *Magic Kingdom*® Park, *Disney's Animal Kingdom*® Theme Park is set up in a spoke and hub formation, with the majestic Tree of Life® Attraction at the center. With just a *tadbit* of planning, it's possible to experience the best of *Disney's Animal Kingdom*® Theme Park in one day, with time to explore the animal exhibits, amazingly themed shops and restaurants — with Asian, African and American flavors.

Using Disney Genie+ Service at *Disney's Animal Kingdom*® Theme Park

With the debut of Disney Genie+ service and individual Lightning Lane selections, *Walt Disney World*® Resort guests now have a paid skip-the-line option. Disney Genie+ service offers expedited access to most of the park's attractions and experiences, including some character greetings and special viewing areas for parades, fireworks and shows. You can purchase Disney Genie+ service a la carte each day of your visit within the *My Disney Experience* app. A few high-demand attractions are not included with Disney Genie+ service, and are instead available a la carte for an additional cost — these are called individual Lightning Lane selections. Individual Lightning Lane selections may also be purchased the day of your visit within the *My Disney Experience* app. These optional services may be used independently, together, or not at all. Not all attractions are offered using these services, but all attractions offer free standby queues. Because both Disney Genie+ service and individual Lightning Lane selections involve specific time windows for return, they can (and do) affect your plan for the day.

In the park plan below, nearly every attraction and show listed at *Disney's Animal Kingdom*® Theme Park is included with Disney Genie+ service. We'll also note which rides are offered as individual Lightning Lane selections, and most importantly, which we recommend that you prioritize if you are looking to utilize these optional services.

Other considerations that could affect your park plan include:

- ★ If you have on-site benefits, such as Early Theme Park Entry*
- ★ Virtual queues (when in use)
- ★ Ride closures
- ★ Park hours/crowd levels
- ★ Weather
- ★ Your own personal interests and ages, heights and interests of children

The one *Disney's Animal Kingdom*® Theme Park attraction offered as individual Lightning Lane selections is:

◆ Avatar Flight of Passage**

* Note that Early Theme Park Entry guests are routed toward *Pandora — the World of Avatar*, and some attractions and experiences are not available until after the theme park opens. If exploring Pandora is a high priority for your family, Early Theme Park Entry will have the lowest waits of the day. If you do not have Early Theme Park Entry, wait until the evening to visit *Pandora — the World of Avatar*.

** If this attraction is a must for your family, and you don't have Early Theme Park Entry, we recommend individual Lightning Lane access. *Walt Disney World*® Resort Hotel guests may make their first individual Lightning Lane selection at 7 a.m. All other guests may make their individual Lightning Lane selection at park opening.

Disney's Animal Kingdom® Theme Park Single Rider Attractions:

Single Rider lines are an excellent choice for those guests who don't mind splitting up their party in exchange for a shorter wait time. Guests must meet height and age requirements to ride alone.

★ Expedition Everest - Legend of the Forbidden Mountain® Attraction - 44"

Disney's Animal Kingdom® Theme Park 1-Day Park Plan

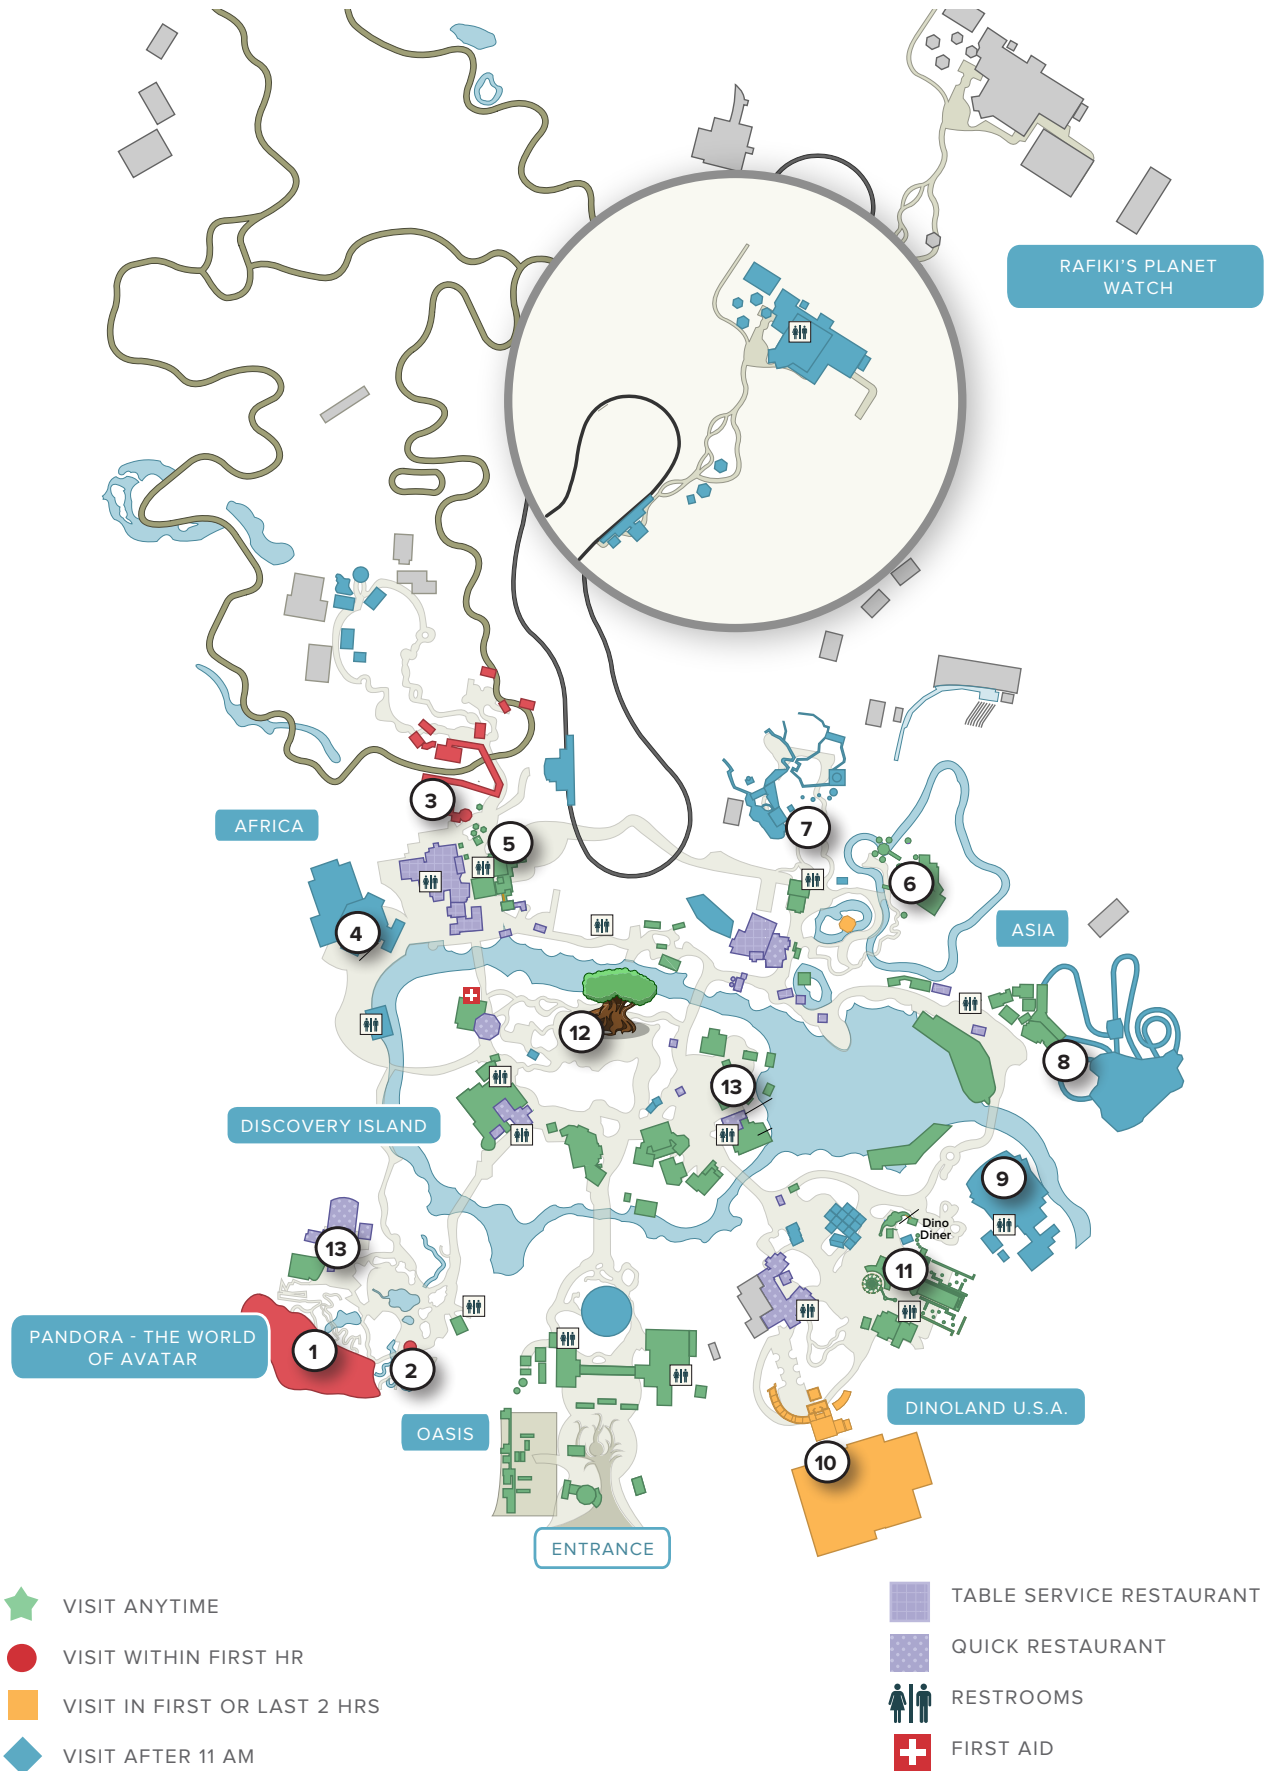

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening and ending in the evening.
