

Disney's Animal Kingdom

Maybe we're a bit biased, but we love that we can get up close and personal with so many animals at *Disney's Animal Kingdom*® Theme Park! Over the last few years, there have been major changes afoot to transform this exotic, jungle-like park that celebrates life and nature into a full day- and night-time destination. With the arrival of the land *Pandora – The World of Avatar*, Disney has done just that! Of course, more great rides and experiences mean more visitors.

Much like *Magic Kingdom*® Park, *Disney's Animal Kingdom*® Theme Park is set up in a spoke and hub formation, with the majestic *Tree of Life*® Attraction at the center. With just a *tadbit* of planning, it's possible to experience the best of *Disney's Animal Kingdom*® Theme Park in one day, with time to explore the animal exhibits, amazingly themed shops and restaurants — with Asian, African and American flavors.
