## Disney's Hollywood Studios

With a little more than a handful of rides and many more shows, **Disney's Hollywood Studios**<sup>®</sup> is one of the most challenging parks for us frogs as far as touring goes! With the addition of Slinky Dog Dash and Alien Swirling Saucers, along with the popular **Toy Story Mania!**<sup>®</sup> Attraction, the park is seeing higher wait times. This is the one park you definitely want to get to before opening and/or absolutely make sure to use FastPass+. Disney typically opens the park 15 minutes before the scheduled opening, although this can vary depending on predicted crowds. We recommend arriving at least 30 minutes before park opening to be one of the first to ride the Toy Story Land rides, then hop on over to **Rock 'n Roller Coaster**<sup>®</sup> Starring Aerosmith and The Twilight Zone Tower of Terror.

Most of **Disney's Hollywood Studios**<sup>®</sup>' other attractions and shows run from 25 to 60 minutes, some with fixed times throughout the day. For the best seats, plan to arrive at least 25 minutes ahead of time. Character greeting locations are spread throughout the park, and FastPass+ is not available for any of them. If characters are a priority, we recommend adding them in to the morning mix after the priority attractions. Make sure to check your Times Guide since character greeting times are staggered.

One opportunity your little one may not want to miss is the chance to participate in the Jedi Training: Trials of the Temple, held at fixed times throughout the day. Children ages 4 through 12 get to learn from a Jedi Master and see if they have what it takes to defeat Darth Vader! To get your child into one of the 12 slots per show, you'll need to sign up outside the ABC Sound Studio immediately at park opening.

Like **Epcot**<sup>®</sup>, **Disney's Hollywood Studios**<sup>®</sup> has instituted a tier system for its FastPass+ attractions and entertainment. Guests can make one selection from the Tier 1, or headliner attractions, and two selections from Tier 2.

### Disney's Hollywood Studios<sup>®</sup> FastPass+ Priority Attractions and Entertainment

- ★ Slinky Dog Dash (Tier 1)
- ★ Alien Swirling Saucers (Tier 1)
- ★ **Toy Story Mania!**<sup>®</sup> Attraction (Tier 1)
- ★ **Rock 'n Roller Coaster**<sup>®</sup> Starring Aerosmith
- ★ **Fantasmic!** Show
- ★ The Twilight Zone Tower of Terror
- ★ **Star Tours**<sup>®</sup> - The Adventures Continue Attraction
- ★ For the First Time in Forever: A Frozen Sing-Along Celebration
- ★ Voyage of The Little Mermaid

## Disney's Hollywood Studios® 1-Day Touring Plan

We've created this one-day touring plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening, taking a break in the afternoon and then returning in the evening. If you do not arrive ahead of park opening, head to **Rock 'n Roller Coaster**® Starring Aerosmith and ride Slinky Dog Dash later using FastPass+. With more shows at **Disney's Hollywood Studios**® than the other **Walt Disney World**® Resort parks, it is difficult to see them all in one day. We recommend you prioritize those you wish to see and skip those that you do not.

Make advance FastPass+ reservations at Slinky Dog Dash, The Twilight Zone Tower of Terror™ and Star Tours® - The Adventures Continue. Aim for the times listed below. Remember, you can modify your one-hour selection times within My Disney Experience!
