

## Disney's Hollywood Studios

Disney's Hollywood Studios® is one *hoppenin'* place! This park has been in transition the last few years as it adds more rides, shows, entertainment and restaurants, most notably with the opening of Toy Story Land in summer 2018 and *Star Wars: Galaxy's Edge* on Aug. 29, 2019! The park is definitely getting busier — having a plan is key!

This is the one park you definitely want to get to before opening and absolutely make sure to use FastPass+. Disney typically opens the park before the scheduled opening, although the time can vary depending on predicted crowds. We recommend arriving at least 30 minutes before park opening to sign your child up for Jedi Training (more on this below) and be one of the first to ride popular rides that don't offer FastPass+ (or you don't have reservations for).

Most of *Disney's Hollywood Studios*® shows run from 25 to 60 minutes, some with fixed times throughout the day. For the best seats, plan to arrive at least 25 minutes ahead of time. Character greeting locations are spread throughout the park, and FastPass+ is not available for many of them. If characters are a priority, we recommend adding them in to the morning mix after you ride your priority attractions.

One opportunity your little one may not want to miss is the chance to participate in the Jedi Training: Trials of the Temple, held at fixed times throughout the day. Children ages 4 through 12 get to learn from a Jedi Master and see if they have what it takes to defeat Darth Vader! To get your child into one of the slots per show, you'll need to sign up at the Indiana Jones Adventure Outpost between Indiana Jones Epic Stunt Spectacular! and 50's Prime Time Cafe immediately at park opening.

*Disney's Hollywood Studios*® has a tier system for its FastPass+ attractions and entertainment. Guests can make one selection from the Tier 1, or headliner attractions, and two selections from Tier 2.

### Disney's Hollywood Studios® FastPass+ Priority Attractions and Entertainment

| ★ Slinky Dog Dash - 38" (Tier 1)                                     | ★ <i>Toy Story Mania!</i> ® Attraction (Tier 2)                           |

| ★ <i>Rock 'n' Roller Coaster</i> ® Starring Aerosmith - 48" (Tier 2) | ★ For the First Time in Forever: A Frozen Sing-Along Celebration (Tier 2) |
| ★ <i>The Twilight Zone Tower of Terror</i> Attraction - 40" (Tier 2) | ★ <i>Fantasmic!</i> Show (Tier 2)   |

**A note about *Star Wars: Rise of the Resistance*:** During peak periods, guests must join a “Boarding Group,” or virtual queue, to ride. Capacity is limited. We recommend joining a Boarding Group as soon as you enter the park by using the *My Disney Experience* app or visiting a Guest Experience kiosk. When it’s your turn to ride, you have a two-hour time window to return to the ride’s entrance and check in with cast members.

## ★ Disney’s Hollywood Studios® 1-Day Park Plan

We’ve created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening. There is an optional break in the afternoon. With more shows at *Disney’s Hollywood Studios*® than the other *Walt Disney World*® Resort parks, it is difficult to see them all in one day. We recommend you prioritize those you wish to see and skip those that you do not.

Make advance FastPass+ reservations for Mickey & Minnie’s Runaway Railway, *The Twilight Zone Tower of Terror* Attraction and *Rock ‘n’ Roller Coaster*® Starring Aerosmith. Aim for the times listed below. Remember, you can modify your one-hour selection times within *My Disney Experience*!
