

## Disney's Hollywood Studios®

Disney's Hollywood Studios® is one *hoppenin'* place! This park has been in transition the last few years as it adds more rides, shows, entertainment and restaurants, most notably with the openings of Toy Story Land in summer 2018, *Star Wars: Galaxy's Edge* in fall 2019 and Mickey & Minnie's Runaway Railway in spring 2020! The park is definitely getting busier — having a plan is key!

*Star Wars: Rise of the Resistance*, the most popular attraction in the park, has switched to a traditional standby queue for the first time since it opened in 2019, though it's important to note that Boarding Groups may return at a later date or from time to time as needed. You can check the My Disney Experience app to see if the virtual queue is in use on any given day. If Boarding Groups are in use during your visit, you will need to join the virtual queue via the My Disney Experience app at select times of the day. If you are able to join a Boarding Group, you'll then be assigned a Boarding Group number. These Boarding Group numbers are then notified in chronological order. Your return time depends on how quickly the ride can accommodate the Boarding Groups before you.

### Disney's Hollywood Studios® 1-Day Plan

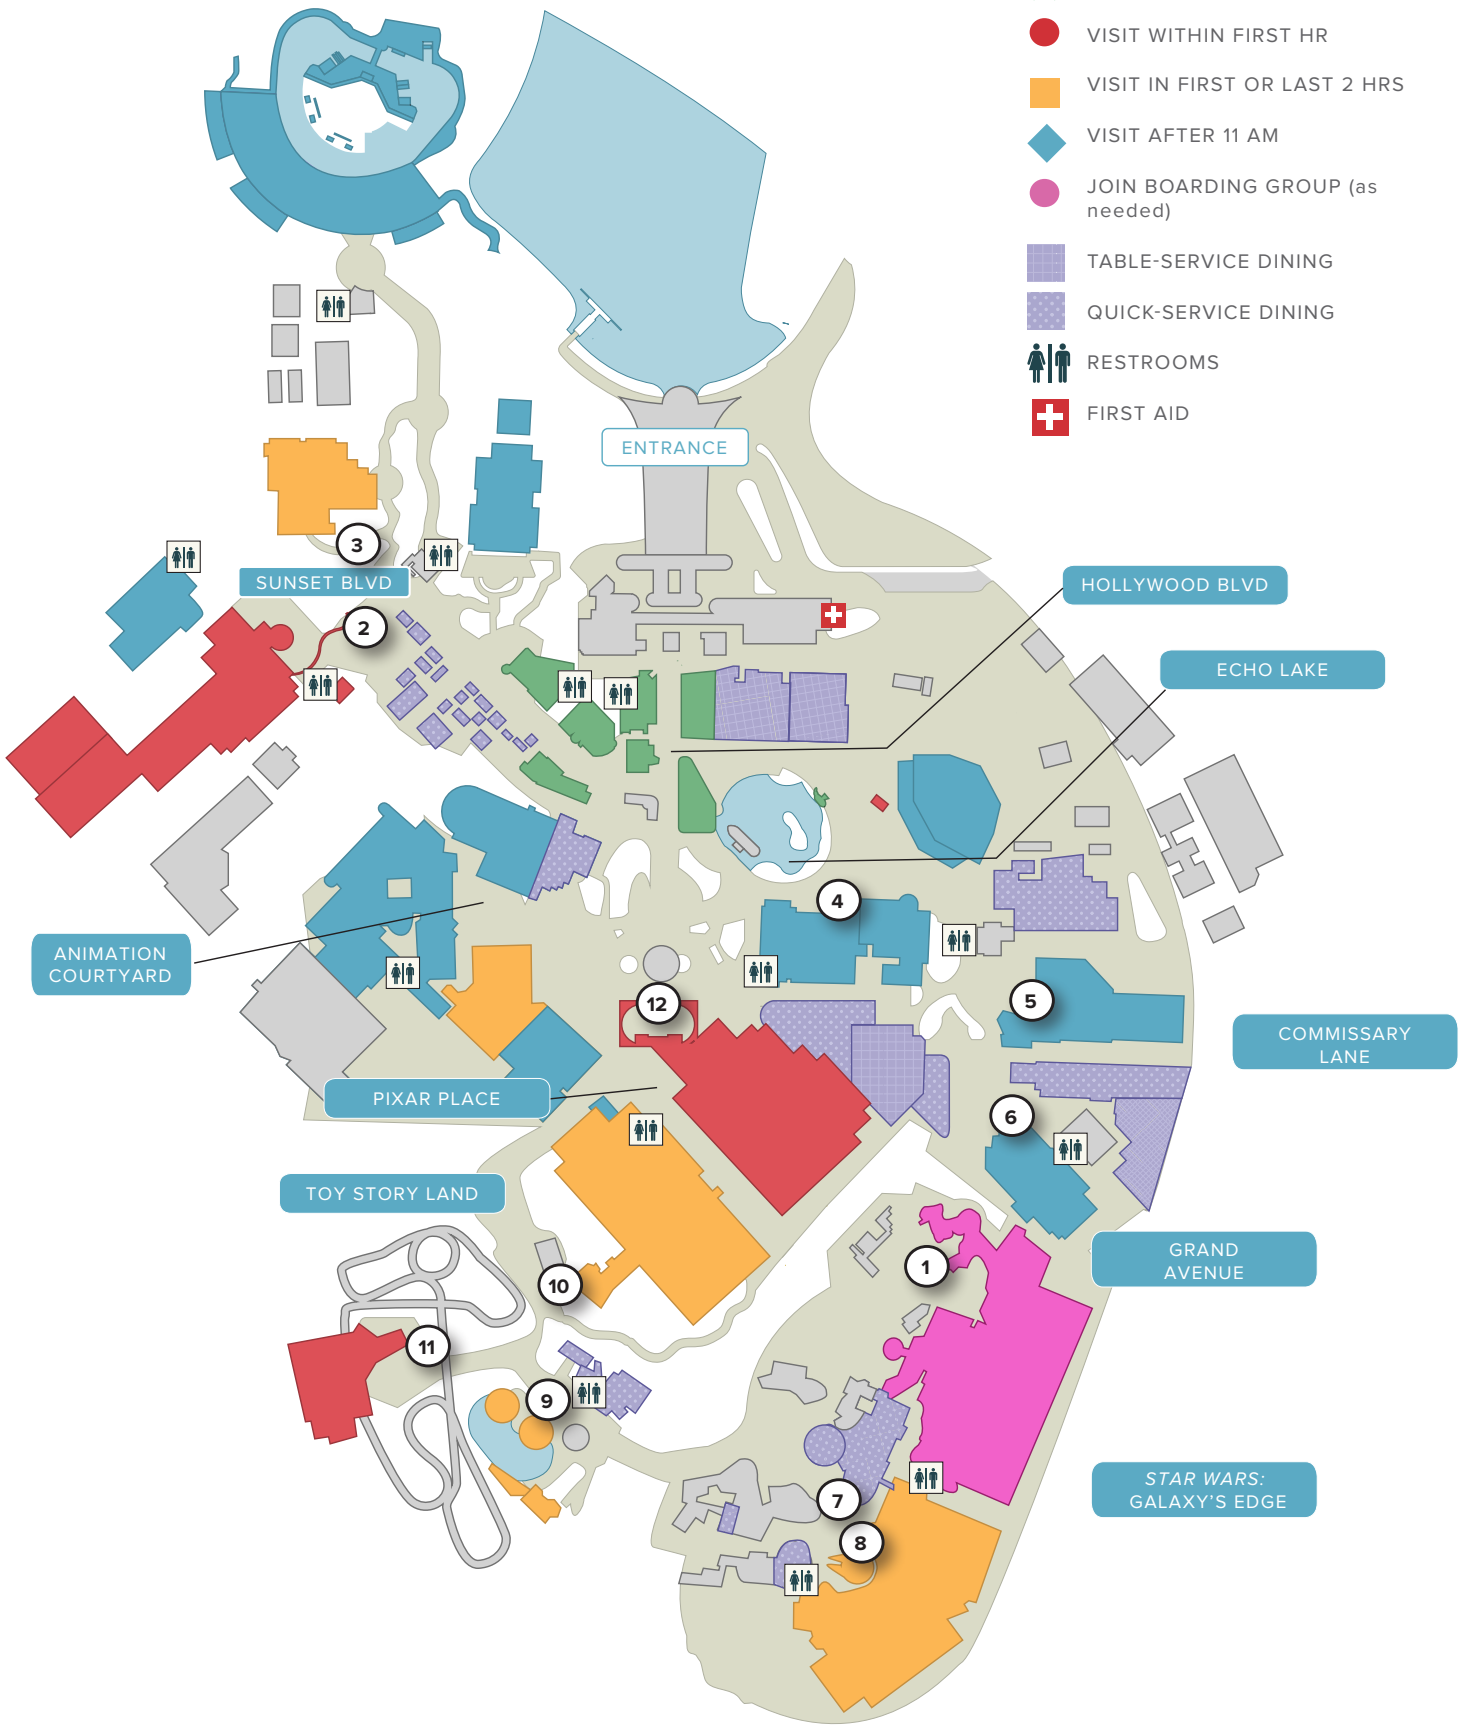

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening.
