Disney’s Hollywood Studios®

Disney’s Hollywood Studios® is one hoppenin’ place! This park was in transition for a few years as it added more rides, shows, entertainment and restaurants, most notably the opening of Toy Story Land in summer 2018 and Star Wars: Galaxy’s Edge in fall 2019! The most popular attraction in the park is Star Wars: Rise of the Resistance. The park is definitely busier — having a plan is key!

Using Disney Genie+ Service at Disney’s Hollywood Studios®

With the debut of Disney Genie+ service and individual Lightning Lane selections, Walt Disney World® Resort guests now have a paid skip-the-line option. Disney Genie+ service offers expedited access to most of the park’s attractions and experiences, including some character greetings and special viewing areas for parades, fireworks and shows. You can purchase Disney Genie+ service a la carte each day of your visit within the My Disney Experience app. A few high-demand attractions are not included with Disney Genie+ service, and are instead available a la carte for an additional cost — these are called individual Lightning Lane selections. Individual Lightning Lane selections may also be purchased the day of your visit within the My Disney Experience app. These optional services may be used independently, together, or not at all. Not all attractions are offered using these services, but all attractions offer free standby queues. Because both Disney Genie+ service and individual Lightning Lane selections involve specific time windows for return, they can (and do) affect your plan for the day.

In the park plan below, we identify the attractions at Disney’s Hollywood Studios® that are included with the Disney Genie+ service; we’ll also note which rides are offered as individual Lightning Lane selections, and most importantly, which we recommend that you prioritize when planning your day if you are looking to utilize these optional services.

Other considerations that could affect your park plan include:

🌟 If you have on-site benefits, such as Early Theme Park Entry*
🌟 Virtual queues (when in use)
🌟 Ride closures
🌟 Park hours/crowds
🌟 Weather
🌟 Your own personal interests and ages, heights and interests of children
The one Disney’s Hollywood Studios® attraction offered as individual Lightning Lane selections is:

- Star Wars: Rise of the Resistance**

*Select hotel guests may have Early Theme Park Entry to the theme park. We recommend heading toward your top priority if you have Early Theme Park Entry. If you do not have Early Theme Park Entry, we do not recommend that you start with Star Wars: Rise of the Resistance.

**If this attraction is a must for your family, and you don’t have Early Theme Park Entry, we recommend individual Lightning Lane access. Walt Disney World® Resort Hotel guests may make their first individual Lightning Lane selection at 7 a.m. All other guests may make their individual Lightning Lane selection at park opening.

Disney’s Hollywood Studios® Single Rider Attractions:

Single Rider lines are an excellent choice for those guests who don’t mind splitting up their party in exchange for a shorter wait time. Guests must meet height and age requirements to ride alone.

- Millennium Falcon: Smugglers Run - 38"
- Rock ‘n’ Roller Coaster® Starring Aerosmith - 48"

Disney’s Hollywood Studios® 1-Day Plan

We’ve created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening.

1. Ride Slinky Dog Dash - 38"
2. Ride Toy Story Mania!® Attraction
3. Ride Alien Swirling Saucers - 32"
4. Ride Rock ‘n’ Roller Coaster® Starring Aerosmith - 48"
5. Ride The Twilight Zone Tower of Terror Attraction - 40"
