

Disney's Hollywood Studios

Disney's Hollywood Studios® is one *hoppenin'* place! This park has been in transition the last few years as it adds more rides, shows, entertainment and restaurants, most notably with the opening of Toy Story Land in summer 2018 and *Star Wars: Galaxy's Edge* on Aug. 29, 2019! The park is definitely getting busier — having a plan is key!

A Boarding Group is currently the only way to access *Star Wars: Rise of the Resistance*, the most popular attraction in the park. You will need to have downloaded the My Disney Experience app, have linked your party and be inside the park to join. Alternately, you can visit a Guest Experience kiosk. The Boarding Group window opens at select times and fills fast! If you are able to join a Boarding Group, you'll then be assigned a Boarding Group number. These Boarding Group numbers are then notified in chronological order when it's time to return to the attraction. You may get an estimated time wait time (such as 20 minutes), but otherwise the time depends on how quickly the ride can accommodate the Boarding Groups before you. Since you don't know when you will ride, we recommend following this plan until your number is called.

Disney's Hollywood Studios® 1-Day Plan Without FastPass+

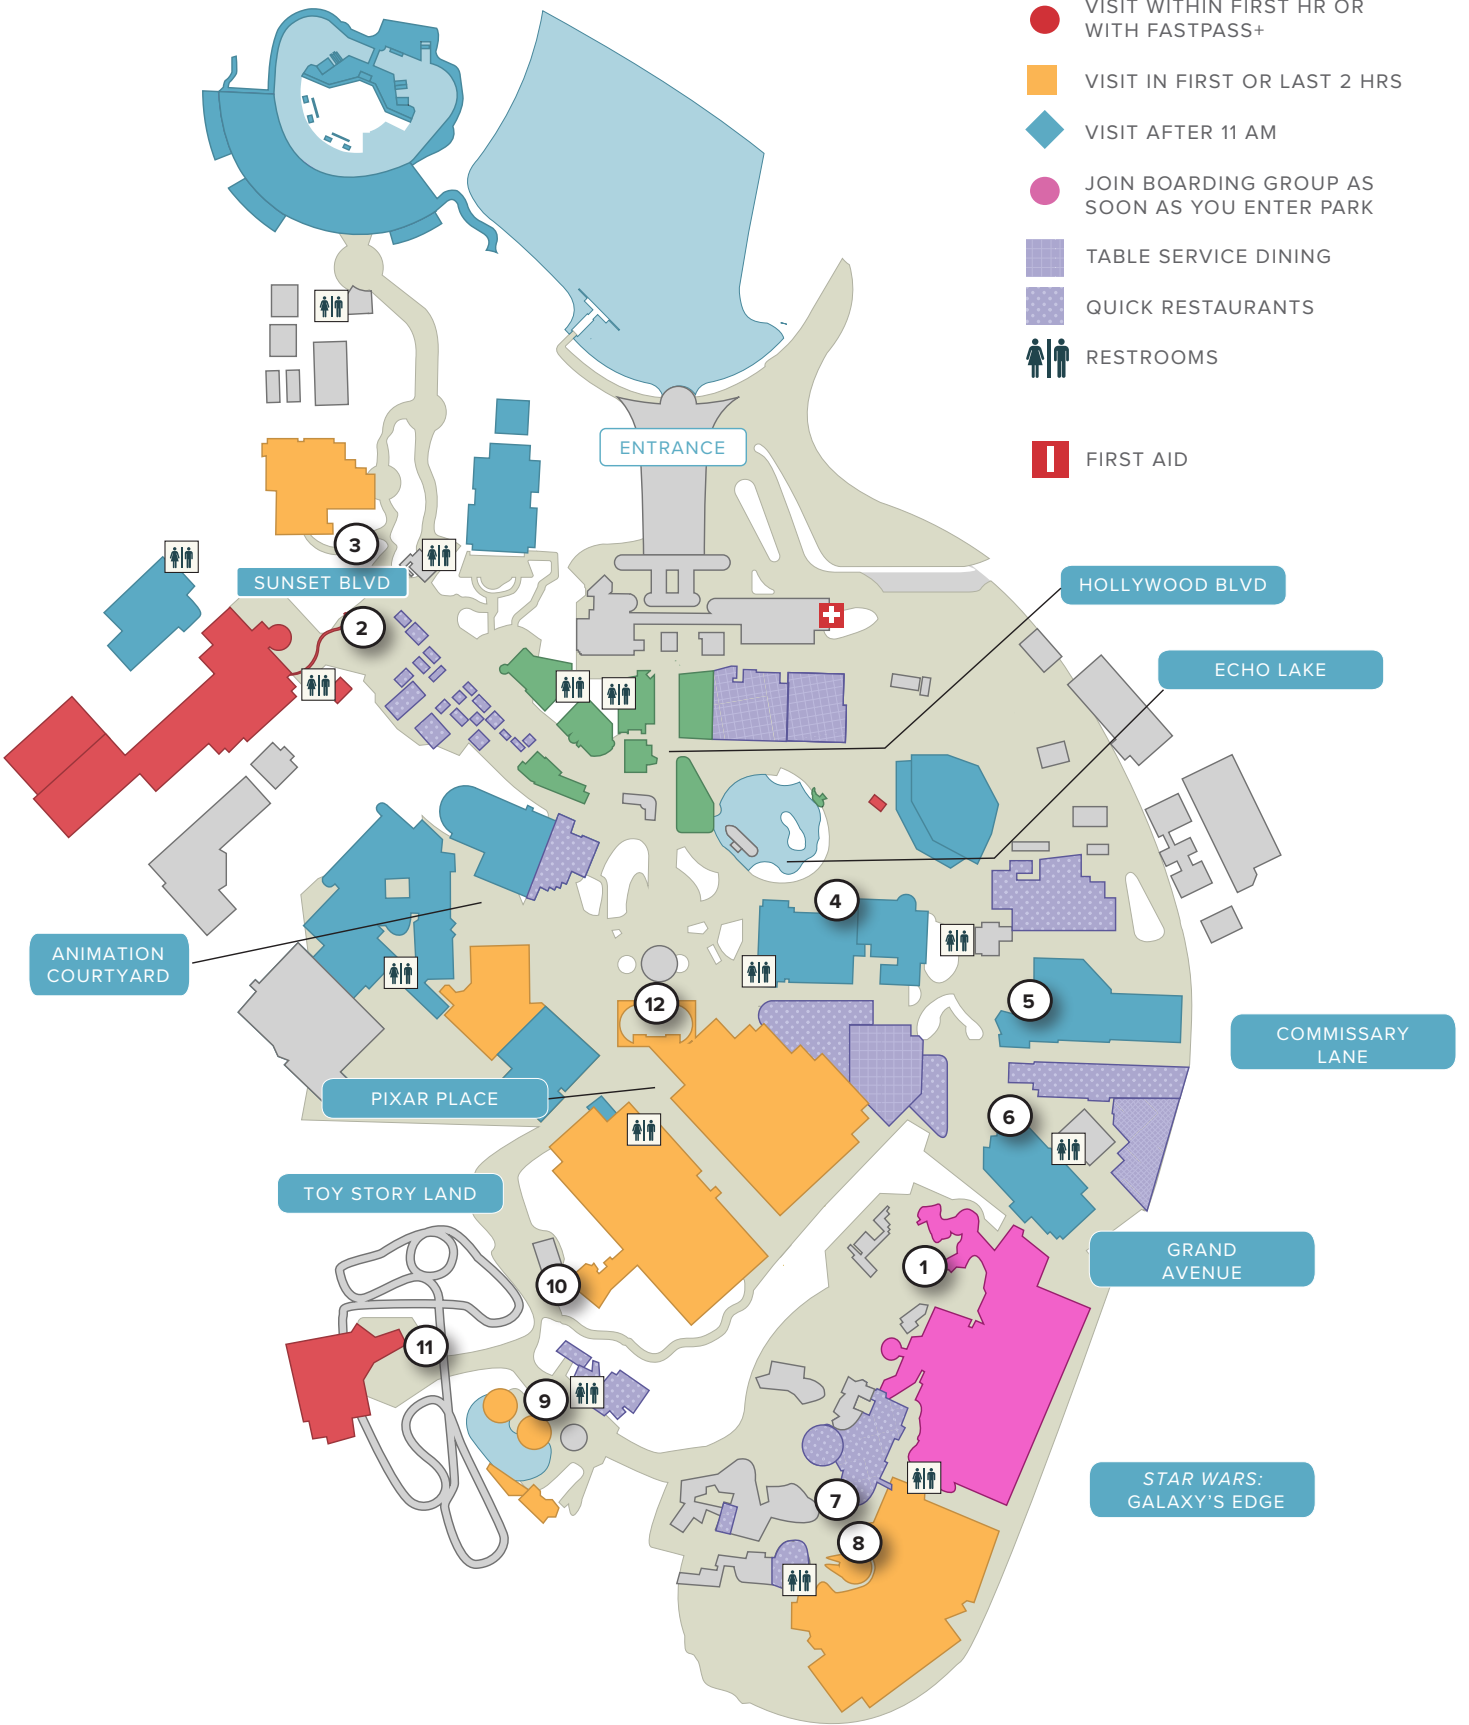

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening, there is no FastPass+ and limited shows and entertainment.
