Technology and culture come together at Epcot®, easily the most educational of all the Walt Disney World® Resort parks. There is plenty to see, taste and discover in this park that is almost double the size of Magic Kingdom® Park!

With fewer than a dozen attractions in all, the park’s main headliners — Soarin’ Around the World, Test Track® Presented by Chevrolet and especially Frozen Ever After — see high waits, making an efficient Epcot® plan a necessity. FastPass+ reservations in this park are divided in tiers, with guests allowed to make one selection from the headliners in Tier 1 and two selections from Tier 2. There is one dedicated indoor meet-and-greet location in Epcot® for Mickey, Minnie and Goofy at Epcot Character Spot, and it is the only character greeting that is a FastPass+ selection. Many Epcot® characters meet outdoors in the different countries of the world.

There are two entrances to Epcot®. The main entrance is positioned in front of Spaceship Earth, the iconic silver sphere inside Future World. A second entrance at International Gateway allows guests staying at the connecting Epcot® deluxe resorts easy access to World Showcase. Guests are allowed into the park about 15 minutes before the official opening time. The World Showcase attractions don’t officially open until 11 a.m.

We recommend touring Future World at park opening, starting with Test Track® Presented by Chevrolet, followed by Mission: SPACE® Attraction and Soarin’ Around the World, then hopping over to World Showcase in the afternoon. Although there is a single rider entrance at Test Track® Presented by Chevrolet that allows for much shorter waits, guests in this line will bypass the pre-show and will not be able to design a custom concept car. If Frozen Ever After is a priority, use it for your FastPass+ selection.

Epcot® Theme Park FastPass+ Priority Attractions and Entertainment

- Frozen Ever After (Tier 1)
- Soarin’ Around the World (Tier 1)
- Test Track® Presented by Chevrolet (Tier 1; also has single rider line)
- Epcot Forever (Tier 1)
- The Seas with Nemo & Friends® Attraction (Tier 2)
- Mission: SPACE® Attraction (Tier 2)
- Spaceship Earth (Tier 2)
- Living with the Land (Tier 2)
We’ve created this one-day park plan so you can experience Epcot®’s most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening, taking a break in the afternoon and then returning in the evening. It also skips over lesser-priority attractions to provide more opportunity to explore World Showcase.
