

Magic Kingdom® Park

This is by far the *Walt Disney World*® Resort's most-visited park, with many of Disney's beloved classic attractions such as *Dumbo the Flying Elephant*® and *Peter Pan's Flight*® Attraction. Because it has more than double the attractions of the other theme parks, it is harder to experience in one day. With waits as high for the character meet-and-greets as for the rides, *Magic Kingdom*® Park is very busy, and setting your priorities at the outset is a must.

We recommend planning at least two days to fully experience *Magic Kingdom*® Park and arriving at least 30 minutes ahead of park opening. Mickey, Minnie and the gang welcome you during the opening show that is held 15 minutes before official park opening. After that, you'll be ushered in and ready to get hopping! The park is set up as a wheel with the spokes separating the lands. Cinderella Castle forms the center. We recommend experiencing the highest priority attractions with the lowest durations first. If you start your day at park opening, you can experience a few hours with very low wait times.

Magic Kingdom® Park 1-Day Park Plan Without Characters

We've created this one-day park plan so you can experience the most popular attractions with the lowest waits, prioritizing rides that should be visited within the first hour, and within the first two and last two hours. This plan assumes you are starting within the first hour of park opening and finishing in the late afternoon, which leaves time to visit other attractions shops and other experiences.

 2. Ride *Buzz Lightyear's Space Ranger Spin*® Attraction
